

Modular Design Sauna TM

MADE IN FINLAND - THE LAND OF SAUNAS

**IHKA™ Sauna - Now everyone
has the opportunity to enjoy an
authentic Finnish sauna**

QUALITY WITH EASE

- ✓ **Sauna materials and suppliers are carefully selected. We only use Finnish wood materials.**

High-quality sliding door gives you more square footage and an unobstructed view outside. Just choose the materials, stove and facade color!

DELIVERY ALMOST ANYWHERE

- ✓ **Modularity allows the sauna to be delivered almost anywhere.**

Sauna can be delivered in small elements and it is easy to transport them ie. to an island, a roof terrace or location with difficult access.

*We haven't come across a location where
IHKA Sauna couldn't be delivered.*

Build in a one day or choose turnkey delivery!

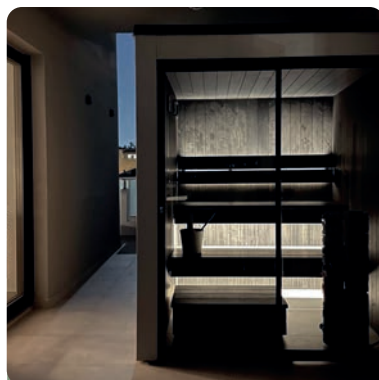

Elements can easily be carried by two people. It only takes 1 day to set up the sauna. Also possibility to fully prefabricated delivery.
